Announcements

To Our Visitors:

Welcome! Thank you for worshipping with us this morning. To make the most of your time with us, we would recommend to you the following: We invite you to take your children 2 years old and younger to the nursery, which is available the entire service. After the music, children (3 years old through 5th grade) will be dismissed to their classrooms. One of the ushers can direct you to the appropriate class. **The Welcome Center** is open before and after the Worship Service. If there is anything we can do to serve you, please let us know.
